

# Hostel Bookings

Now Open

Dear Student,

## Congratulations on your selection to the **Masters' Union Postgraduate Programme.**

A decorative horizontal bar with a gradient from yellow to blue.

We're delighted to welcome you not just to a campus, but to a community you'll live in, build with, and grow alongside. The Student Experience Team is committed to making sure that from your first class to your first night in the hostel, you feel at home, connected, and fully immersed in the Masters' Union journey.

Your experience here will reach far beyond lectures, case studies, and projects. It will unfold in the moments in between: 2 AM debates that stretch your thinking, last-minute pitch rehearsals, conversations that begin casually and grow into partnerships, and friendships that outlast graduation.

Because at Masters' Union, learning doesn't stop at the classroom door. It continues in shared spaces, in shared ambition, and in the community you build around you.

*We look forward to welcoming you home.*
